PARENTS EVENINGS

Thank you to everyone who attended parents' evenings this week. We really appreciate being able to meet with you to talk about your child's progress. It was good that so many people were able to come. Thank you

LEAVING SCHOOL

Please can we ask all people collecting children from Hawks, Eagles, Wrens, Finches and Swifts classes to walk around the school via the new building not through the Robins entrance when collecting children at the end of the day. This will make it safer as there is not much room outside the Robins class especially with the number of push chairs that need to be brought to school to collect children. (Swans and Herons children need to be collected from the front of the school). We appreciate that this is quite a long walk around but it will make things safer for all concerned. Thank you for your help with this.
