MOTHERS' DAY

It was great to see so many mums, grandmas and aunties working in school with their children today. Thank you to family learning for organising these activities with the children. All the children will be taking home cards today with promises in for Mothers' Day, some of which we will share in the Mother's Day assembly this afternoon. We hope that your children will carry out the promises that they have made to you. We wish all our mums and carers a happy Mothers' Day this weekend. We would like to say a special thank you for all that you do in ensuring that your child is ready for learning at school each day. We know that this is not always an easy task! We hope that this weekend you are able to find some time to relax and enjoy yourselves.

WORLD BOOK DAY

It was fantastic to see so many children dressed as characters from books on World Book day this week. So many people had put in so much effort. Thank you so much for all your support with this. It was good that the children were able to talk about the characters that they had come as. All the children took home a World Book Day voucher which can be exchanged for a book of their choice. This can either be used to purchase one of the special World Book day £1 books or used towards the purchase of a book, details are on the voucher. We hope they enjoy reading the books that they purchase with their vouchers.

PHONES

Whilst we understand that some parents wish to let their children bring a mobile phone to school with them if they are walking to and from school and we are happy to look after childrens' phones whilst they are in school you should be aware that our insurance does not cover them if anything should happen to them. Thank you for your understanding.

SWANS & HERONS CONKERS TRIP

On Thursday 25th February, Swans and Herons class visited Conkers for the day as part of the Adventurers and Explorers topic. They learnt how to make a camp fire (on which they toasted marshmallows), took part in a treasure hunt in which they had to find clues and journeyed to the adventure playground on the Conkers train. Great fun was had by all.

YEAR 4 LIFE SKILLS
