CAN YOU HELP?

As the winter approaches and the weather gets worse there will be times when the children will not be able to go out to play at break time or after lunch. We would be really grateful if you would like to donate any old puzzles or board games that the children could use when this happens. Thank you.

DIWALI CELEBRATION

On Wednesday 2nd November Year 1/2 had an exciting afternoon to start their new topic 'Let's Celebrate.' The children staged a Diwali celebration where they made a whole class Rangoli pattern using beans and pulses; they also drew Mendhi patterns on hands. Each class had the chance to learn some Bollywood dance moves from the talented Miss Stephanie from Zest Dance Workshops. At the end of the afternoon the children got to eat the Coconut Ladoo sweets they had made the previous afternoon. It was really fun afternoon that they will remember for a long time.

YEAR 6 COLLABORATIVE ARTS DAY

The Year 6 children worked with children from three other schools as part of the collaborative project. They looked at the art of Ian Bayliss, Andy Warhol, Pablo Picasso and Bridget Riley. The children behaved brilliantly and have produced some lovely artwork which will be displayed in the new build corridor.
