

Newsletter

Thank you to everyone who came to the open morning on Tuesday. We really appreciate you taking the time to come into school and see how we are teaching your children. We hope that you found the morning informative. The next open morning is on Wednesday 26th October. We will again begin with toast, bacon sandwiches, tea and coffee while the children are in assembly and we will be more organised with our tea/coffee serving than we were this week! If you came along and you have any feedback that you would like to give us then we would be very pleased to receive that. We have attached a simple form to this newsletter that you can print out and send back, or request a copy from the office. Alternatively you can drop a note in, leave a message in the office or send in a text if you would prefer.

PARENTS' EVENINGS

Parents' evenings will be taking place on Wednesday 12th and Thursday 13th October for all classes in school except Eagles, Hawks and Herons.

Unfortunately Eagles and Hawks teachers are unable to hold meetings on those nights so we will need to move them to the week after the half term and will be holding them on Tuesday 25th October and Wednesday 26th October. Miss Sharpe is currently signed off school ill. We are hoping that she will be able to return to school soon. When we know an exact date we will rearrange the Parents' evenings for Herons class, hopefully we will try to make this the same as the Eagles and Hawks but we cannot guarantee this until we know when Miss Sharpe is able to return to work. We apologise for the inconvenience that these changes will mean for you. Forms for times will be sent out today.

We look forward to hearing all about it when they return.

INTERNATIONAL SCHOOL

This week we found out that we have been awarded the full international school award. The International School Award is a badge of honour for schools that do outstanding work in international education, such as through links with partner schools overseas. Fostering an international dimension in the curriculum is at the heart of the British Council's work with schools, so that young people gain the cultural understanding and skills they need to live and work as global citizens.

We will continue to develop our international work in school and look forward to sharing our next projects with parents and the wider community.

PTA DISCO

Lots of children have already bought tickets for the PTA discos taking place next Thursday. Tickets are available in the school office if your child has not already got one and would like to come and take part in the disco.
