YOUNG VOICES

The choir had a fantastic time on Tuesday at the Young Voices concert which took place at the Genting Area in Birmingham.

They performed with over 6500 children to make the World's largest choir.

The concert included professional singers and musicians.

The choir performed and behaved impeccably and did the school proud.

A huge thank you to the PTA who helped to fund the trip.

OFSTED

As you are aware we had our Ofsted inspection this week. Thank you to everyone who participated in parent view and spoke to the inspectors. The team looked at all the aspects of the school, including talking to various different groups of children. At this stage we are unable to share the results of their findings with you as there is a process that the report has to go through. Initially it is written by the team and then goes through a quality assurance process. After the half term break it will then be sent back to us in order to check for factual accuracy eg names, numbers etc, not the wording of the text. This then goes back to Ofsted and there could be further quality assurance checks. Usually a report is published with 19 working days of an inspection (the half term break does not count as working days) but if it is randomly selected for the further quality assurance process it will be published within 28 working days. As soon as we are able to we will share the final report with you.

SCHOOL DISCO

A huge thank you to all members of the PTA who ran the school disco yesterday. The children enjoyed themselves and had a good time.

FOREST SCHOOLS

All Saints would like to say an extremely big thank you to The Royal British Legion. They have generously donated £50 to the Outdoor Learning group towards the cost of a shed. Mr John Cowley stated that the British Legion had been delighted with the choir's performance at the Remembrance Day service in Coalville and they had decided to make the contribution to show their appreciation. Mr Cowley is pictured in the photograph with children from the choir and Outdoor Learning.
