FAMILY LEARNING – STORY SACKS

The first story sacks session took place in school this Wednesday morning. It is a great opportunity to work with the family learning team, have fun and make useful resources that you can use with your child. It is particularly aimed at parents and carers of EYFS and Year one children. Although the first session has already taken place it is not too late to join if you would like to. Possibly it might be something that grandparents of the younger children in school might also be interested in attending, especially if they are involved in caring for you children. If you think this is something that you might like to come to please contact Hazel McDowell on 07944 055726 to book a place.

COMING INTO SCHOOL

Thank you for your help in coming into and leaving school it is much appreciated. We have asked the children not to play in the area in front of school before they come enter in the mornings as it is not suitable for playing chasing and running games in. It is just a waiting area we do not want anyone to get injured, especially some of the pre-school children who come with their siblings. We would be grateful if you could reinforce this message with your children and ensure that they do not run around while they are waiting with you. Also please can you remind children not to walk through the carpark as this is dangerous and we do not want anyone to get hurt?

E-SAFETY

There is now a link from our school website (Under parents, e-safety) to the [parent info](#) website which gives tips on how to stay safe online. We live in a world where it is very easy for our children to have instant access to the internet, through phones, tablets and other handheld devices. Please do take the opportunity to look at this site. As the world of technology is so fast changing this site is updated weekly so it is worth giving it a regular check to see the latest information. We want to encourage our children to use technology but in a responsible and safe way.

COALVILLE CHRISTMAS LIGHTS SWITCH ON

Please see the flyer being sent out today about this exciting annual event at which ALL SAINTS SCHOOL choir will be performing. Please go along and support them!

MESSAGE FROM ROBINS CLASS

Please, please, please do not walk through Robin Class' outside play area unless you are collecting your child from Robins Class. We have lots of activities set up outside for the next day. Unfortunately some of these are being moved or damaged which is very unfair on the children in Robins Class. Thank you.

SUPPORT FOR PARENTS

If you have any concerns about your child with regard to personal and social development or behaviour then you can come and meet with Lindsey Woodward our Family Link Officer on Wednesday 18th November. No need to book – drop in any time from 2.00pm until 3.15pm.

REMEMBRANCE DAY

On Wednesday 11th November our choir will be singing at the War Memorial for the act of remembrance. Our year 6 children will also be attending. Please do consider joining us there if you are able to.

YEAR 2 MULTI SPORTS

An enjoyable morning was had by all at the Year 2 Multi Sports held at Castle Rock High School. Castle Rock students worked with our children and also children from Swannington, New Swannington and Woodstone Primary schools encouraging them to try new activities and work together with children from the other schools. Well done everyone, can't wait until next week with the Year 1 children. Mrs Cox

CHILDREN IN NEED

For Children in Need on Friday 13th November we would like the children to come to school in their onesies, nightdress or Pyjamas and make a donation to the Children in Need charity. If you do not want to take part in this then there is no pressure to do so. Children will be going out to play as normal at break and lunch time so please make sure that they also have suitable clothes and footwear to enable them to go outside as well!
