5 March 2020

Dear Parents / Carers,

I would like to thank all parents and carers for their sensible approach to the ongoing wider concerns regarding the coronavirus. Alongside other local schools we continue to follow the Department of Education and Public Health England Advice, which is regularly updated.

### **Public Health England**

The current guidance is to use the NHS 111 online coronavirus service or call NHS 111 should you have any concerns. In school we continue to remind children and staff of effective hand washing and hand hygiene as the most important preventative measure as recommended by public health England. Latest information and advice can also be found at: [www.gov.uk/coronavirus](http://www.gov.uk/coronavirus)

### **Department for Education Guidance**

Coronavirus – Advice for all early years providers, schools and further education providers. The government is closely monitoring the spread of the Coronavirus and is taking action at home and abroad. The overall risk of Coronavirus to the UK remains moderate.

### **Advice for parents/guardians**

You should not be unduly worried about the possibility of your children catching the Coronavirus. There is no reason why your children should not continue to attend their early years, school or further education setting as normal. We will continue to update parents if the Department of Education advice changes and we thank you for your ongoing support.

Yours sincerely

**Headteacher**
